Scope: Whole

Name of assessor: Steve Derrick
Date of certification: 11th September 2019
Recertification due: 11th September 2020

Certification Body:

Accreditation Body:

IASME Consortium®

This Certificate certifies that the organisation named was assessed as meeting the Cyber Essentials implementation profile released February 2017 and thus that, at the time of testing, the organisation's ICT defences were assessed as satisfactory against commodity based cyber attack. However, this Certificate does not in any way guarantee that the organisation's defences will remain satisfactory against cyber attack.
